PURPOSE

Our purpose is to provide education and development to your child's greatest potential — spiritually, mentally, physically and emotionally. This is accomplished by providing learning and developmental experiences consistent with the Christian principles of Abilene Baptist Church which are based on the authority of the Bible.

WHAT WE DO

Our daily schedule involves a balance of play, group activities and classroom learning.

We get creative : Activities are provided during learning centers in our classroom.

We learn: Stories, games, finger plays, and activities are included in our circle time.

We play: We are supervised while playing games and enjoying being active.

We eat: Bring your lunch!

CURRICULUM

Our curriculum includes: academic instruction, creative art, Bible time, music and free play. Teachers create an experience for the children as Bible verses and stories come to life. Beginning in the 2 year old class, the Abeka curriculum is used.

SECURITY

Our facility has many security features. There are cameras in each classroom as well as the hallways. Our parking lot is monitored and the doors to our preschool are locked after car line each day!

The following is a list of a few special fun activities for our preschoolers:
